

Consent Form

We care about your privacy and the privacy of your family members. In line with the Data Protection Regulations, we need your consent to collect and process your health and other data. If you agree, your data will be processed for the following reasons and activities.

The table below needs to be completed only by those members under this policy who have not already provided consent before. Their consent will be valid for the entire duration of their policy unless they decide to change or revoke it at any time.

Note: AWP Health & Life SA is the insurer, hereinafter referred to as 'the health insurer'. AWP Health & Life SA is part of the Allianz Partners Group and operates under the Allianz brand.

Please complete this form in **BLOCK CAPITALS**.

A parent or guardian should complete the consent for any member that is under the age of 18.

I agree to the following:

1. **Permission to collect, store and use my health data.** The health insurer may collect, store and use my health data in order to administer the policy, for example to provide me with a quote for insurance cover, underwrite the risks to be insured or process any claims. The health insurer may store my health data in accordance with the Consumer Code of the law applying to my insurance policy with the health insurer or with any other applicable law requiring the retention of the data.
2. **Permission to obtain my data from third parties.** To provide me with insurance cover, underwrite the risks to be insured or process any claims, the health insurer may obtain my health and other data from physicians, nursing and hospital staff, other medical institutions, care homes, statutory health insurance funds, my plan sponsor, professional associations and public authorities. I agree to release all individuals at these institutions and the health insurer from their respective confidentiality obligations relating to my health data or other data that they have to share and use for the purposes stated above.
3. **Sharing my data outside of the health insurer.** The health insurer may share my health and other data with the experts or institutions set out below. They will use the data to the same extent and for the same purposes as the health insurer. I understand that the health insurer has put in place arrangements with these institutions to protect my data. I agree to release all individuals at these institutions and the health insurer from their respective confidentiality obligations relating to my health data or other data that they have to share and use for the purposes set out below:
 - With independent medical experts to enable them to assess insurance risks and any benefits to be paid to me or to the third party providing treatment or service to me under my insurance policy.
 - With service providers outside of the Allianz Group of companies that perform certain services on behalf of the health insurer, such as risk assessments and claims handling, where:
 - these services involve the collection and use of my health and other data, and
 - the health insurer would not be able to administer my policy or pay any claims due to me without such data.
 - With co-insurers to distribute the coverage of the insurance risk jointly with other companies to which the health insurer issues the policy, and to handle claims jointly.
 - With other insurers/re-insurers that may be covering the same insurance risk at the same time (multiple insurance) to:
 - distribute the payment of any compensation that may be owed to me, or
 - collaborate in the detection or prevention of fraud and financial crime.

If I change my mind about my preferences above, including withdrawing my consent to any of these items, I can let the health insurer know by emailing: AP.EU1DataPrivacyOfficer@allianz.com.
