Committed to service excellence

At Allianz Care our focus is on earning and maintaining client loyalty through service excellence. From the design of our market leading health insurance products, to arranging treatment for our members, every step of the client's experience has been carefully considered to ensure they receive an unparalleled level of service.

About EuroSanté

Our range of healthcare plans provides supplemental cover to the Joint Sickness Insurance Scheme (JSIS). While the JSIS reimburses members with approximately 80% of eligible medical expenses; our EuroSanté plans offer cover for many of the medical costs which are not fully reimbursed by the JSIS. This gives you, and your dependants, access to a more comprehensive level of healthcare cover as well as peace of mind.

THE RIGHT SOLUTION FOR YOU

Extra protection against high cost medical treatment

Choice of three levels of cover:

- EuroSanté Optimum
- EuroSanté Equilibre
- EuroSanté Tranquillité

Comprehensive range of Online Services, including the facility to check remaining benefit limits and track claims

Direct settlement for in-patient treatment (where possible and approved)

Fully completed medical claims are processed within 48 hours

Claims reimbursed in 135 currencies

Claims processed once reimbursement has been made by the JSIS

Our 24/7 multilingual Helpline is just a phone call away, and so are our Emergency Assistance Services

Our pioneering MyHealth app makes submitting your claims fast and easy
