3 Start date of cover

Please indicate the date you require cover from: / /

Our acceptance of your application for cover is confirmed when we issue your Insurance Certificate and your cover is valid from the start date shown on the certificate.

4 Your moratorium terms and pre-existing medical conditions

As you are applying for a policy with moratorium terms, we want to clarify the conditions and procedures that will apply to your moratorium cover. Please ensure that you read the definition below which summarises how the moratorium will work – the full terms and conditions of your policy are detailed in the Benefit Guide.

Moratorium (MORI) is a waiting period of 24 months from either your start date or the date shown in the special terms section of your Insurance Certificate that must have passed before claims for any pre-existing medical conditions may become eligible under the plan. Once you've completed a continuous 24-month period after your start date, your pre-existing medical condition may be covered, provided that you've not had symptoms, needed or received treatment, medication, a special diet or advice, or had any other indications of the condition.

Your claim will not be paid if it's relating to a pre-existing medical condition, should one or more of the following have applied within the 24-month period before your start date (or the date shown in your Insurance Certificate):

- It could be reasonably foreseen that the medical condition would occur after your start date.
- The condition clearly showed itself.
- You had signs or symptoms of the condition.
- You asked for advice about the condition.
- You received treatment for the condition, or
- To the best of your knowledge, you were aware you had the condition.

Once you've completed a continuous 24-month period after your date of joining we may cover your pre-existing medical condition provided you've not had symptoms, needed or received treatment, medication, a special diet or advice, or had any other indications of the condition.
