** Certain services which may be included in your plan are provided by third party providers, such as the Expat Assistance Programme, Travel Security services, HealthSteps app, Second Medical Opinion and tele-medicine services. If included in your plan, these services will show in your Table of Benefits. These services are made available to you subject to your acceptance of the terms and conditions of your policy and the terms and conditions of the third parties. These services may be subject to geographical restrictions. The HealthSteps app does not provide medical or health advice and the wellness resources contained within Olive are for informational purposes only. The HealthSteps app and the wellness resources contained within Olive shouldn't be regarded as a substitute for professional advice (medical, physical or psychological). They are also not a substitute for the diagnosis, treatment, assessment or care that you may need from your own doctor. You understand and agree that the insurer, its reinsurers and administrators are not responsible or liable for any claim, loss or damage, directly or indirectly resulting from your use of any of these third party services.

Area of cover

We offer a range of options in relation to geographical cover. The chosen area of cover will be specified in the Insurance Certificate.

Worldwide

Worldwide
excluding USA

Africa only

The areas of cover are subject to our terms and conditions.

Benefit limits

There are two kinds of benefit limits shown in the Table of Benefits. The maximum plan benefit, which applies to certain plans, is the maximum we will pay for all benefits in total, per member, per Insurance Year, under that particular plan. Some benefits also have a specific benefit limit, for example 'Nursing at home or in a convalescent home'. Specific benefit limits may be provided on a 'per Insurance Year' basis, a 'per lifetime' basis or on a 'per event' basis, such as per trip, per visit or per pregnancy. In some instances we will pay a percentage of the costs for the specific benefit e.g. '65% refund, up to CHF 6,500'. Where a specific benefit limit applies or where '√' appears next to certain benefits, the refund is subject to the maximum plan benefit, if one applies to your plan(s). All limits are per member, per Insurance Year, unless otherwise stated in your Table of Benefits.

Policy terms and conditions

Please note that cover for smaller groups is subject to underwriting i.e. cover may be excluded for pre-existing conditions, or a higher premium rate may apply to reflect the higher risk due to pre-existing medical conditions or additional risk factors. Cover is conditional upon acceptance of your application, which is only confirmed when we issue an Insurance Certificate. This Table of Benefits provides an outline of the cover we provide under each plan. Cover is subject to our policy terms and conditions which can be downloaded from our website.
