5 Medical Underwriting terms available

Moratorium underwriting

Under a Moratorium policy you will not immediately be covered for pre-existing medical conditions.

Moratorium underwriting means there will be a 24 month waiting period before claims for any pre-existing medical conditions may become eligible.

Your claim will not be paid if it's relating to a pre-existing medical condition, if one or more of the following have applied within the 24-month period before your start date (or the date shown in your Insurance Certificate):

- It could be reasonably foreseen that the medical condition would occur after your start date.
- The condition clearly showed itself to be present by having signs or symptoms, required treatment, investigations or medication.
- To the best of your knowledge, you were aware you had the condition.

Once you have completed a continuous 24-month period after your joining date, we may cover your pre-existing medical condition provided you have not had symptoms, needed or received treatment, medication, a special diet or advice, or had any other indications of the condition.

If you have had symptoms, needed or received treatment, medication, a special diet or advice or other indications of any condition during the 24-month waiting period, the waiting period will restart for that condition (rolling moratorium).

In these circumstances I authorise all such practitioners, physicians, dentists, members of medical professions, and employees of hospitals, health authorities and medical facilities to provide relevant medical information as requested. I also make this statement for my dependants under the age of 18 and for dependants who cannot assess the meaning of this statement.
